DETAILED ACTION

This Supplemental Notice of Allowability is being sent to correct an apparently inadvertent misnumbering of the claims as previously submitted. The claims as previously submitted lacked a claim numbered 77 in the sequence of claims. It is noted that submitted claims must be numbered consecutively in order as submitted. See the below renumbering.

CLAIM RENUMBERING

The numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

Misnumbered claims 78-101 been renumbered as claims 77-100, respectively. The claim dependencies have also been renumbered as appropriate to correspond to said renumbering of claims. Claim 83 as previously numbered has been renumbered as claim 82 and canceled corresponding to the cancellation of claim 83 as previously numbered.
